

## Nurse Profile

### Carol Hutchings RGN

Nursing Services Manager  
(Urology Specialist Nurse)

#### Background

Carol qualified as a nurse in 1987 completing her training at Harold Wood in Essex. She went on to work in acute medicine and elderly care before leaving the NHS in 1996 to pursue a career in the private sector, specialising in urology.

As Nurse Manager and an active urology nurse within the Manfred Sauer Care Nurse Team, Carol works closely with her NHS colleagues. She is able to support them with hands on care for their patients who require assistance with their continence and urology problems.

Carol has an in-depth knowledge of products available on FP10 prescription and as a result is able to offer a wide and unbiased choice of products. She will however, work within the boundaries of prescribing formularies where they are in place.

Carol is also able to offer training and support for nurses, families and carers.

#### Services Available

As an experienced nurse in her field, Carol is able to offer a wide range of FREE services in the patient's home or in a clinic setting.

#### Clinical Support:

- Teaching and/or follow up for patients requiring intermittent self-catheterisation
- Assessment and fitting of urinary sheaths
- Bladder scanning
- Assessment and fitting of urinary appliances
- Help with indwelling catheters and associated complications
- A product sampling service
- Unbiased product choice

#### Educational Support:

- A resource for patients and families
- Support for healthcare professionals
- Tailored training sessions
- Support at local or national events

#### Geographical Areas covered:

Carol is available to take referrals throughout the whole of Essex and parts of Hertfordshire.
