

YOUR PRESCRIPTION. YOUR CHOICE.

A female healthcare professional with dark hair tied back, wearing a light blue uniform, is smiling warmly at a patient whose back is to the camera. They are in a clinical setting with a desk, a computer monitor, and a stethoscope around the professional's neck.

You have the right to collect, or have delivered to your home, any medical product that has been prescribed to you from any dispensing contractor or pharmacy you choose. Your choice should not be influenced by calls, letters or any other communications from medical professionals, dispensing appliance contractors or pharmacies.

If you feel somebody is trying to influence your decision, please contact your local Health Board, details of which can be found by calling **NHS Scotland** on **0800 22 44 88**.
